University of Colima	68	40	40	100.0
Western University of Sinaloa	36	28	24	85.7
Total number	485	343	289	85.08

¹ Assessable programmes are those that are suitable for accreditation from national evaluation and accreditation organs, once their first class graduates.

² Quality programmes are those that are included in the Level 1 classification register of Mexico's Inter-Institutional Committees for Higher Education Evaluation (CIEES).
